FOR RELEASE, MAY 1, 2010

MOTORSPORT AFTERMARKET GROUP, INC. PROMOTES DAVID SHIRLEY AS PRESIDENT OF PROGRESSIVE SUSPENSION, INC.

IRVINE, California, May 1, 2010 – Motorsport Aftermarket Group, Inc. (“MAG”) is pleased to announce that David Shirley has been promoted to President of Progressive Suspension, Inc. (“PSI”). Prior to this promotion, David has served as the Vice President and General Manager of PSI, where he led the engineering team in development.

Brian Etter, President and CEO of Motorsport Aftermarket Group, says “David has demonstrated very strong leadership abilities while service as Vice President and General Manager. Under his guidance, PSI has excelled in product innovation, expanded into dual store and adventure suspension markets, and developed the industry’s most talented suspension team. I am looking forward to watching PSI continue to grow and innovate under his leadership.”

David has been a key member of and partner with PSI for over 10 years and has been actively involved in product development of the 440 series dampers and has pioneered the I.A.S. technology.

Prior to joining Progressive Suspension, David held management roles in Operations and Engineering at Edelbrock Corporation and Ricor Racing and Development. David has a Bachelor of Science with Honors in Mechanical Engineering from Sacramento and is an avid motorcyclist with more than 20 years of on and off-road riding experience.

Progressive Suspension has been the leader in motorsport suspension for over 25 years and is a proud member of MAG’s family of companies. Visit www.progressivesuspension.com for further information.

Motorsport Aftermarket Group, Inc. provides motorsport enthusiasts worldwide with superior products and services from its collection of highly recognized brands including Kuryakyn, Vance & Hines, Renthal, J&P Cycles, Performance Machine, Roland Sands Design, Progressive Suspension, Burly, Mustang Seats, DragonFire Racing, Motorsport Rally Corp., and MAG Europe. Visit www.maggroup.com for further company information.
